

Figuras 1 - 8. Gênero Novo *A maeander* (Mulsant, 1850) **comb. nov.:** (1) vista dorsal; (2) vista lateral; (3) cabeça, vista frontal, macho; (4) labro; (5) mandíbulas; (6) maxila; (7) lábio; (8) antena.

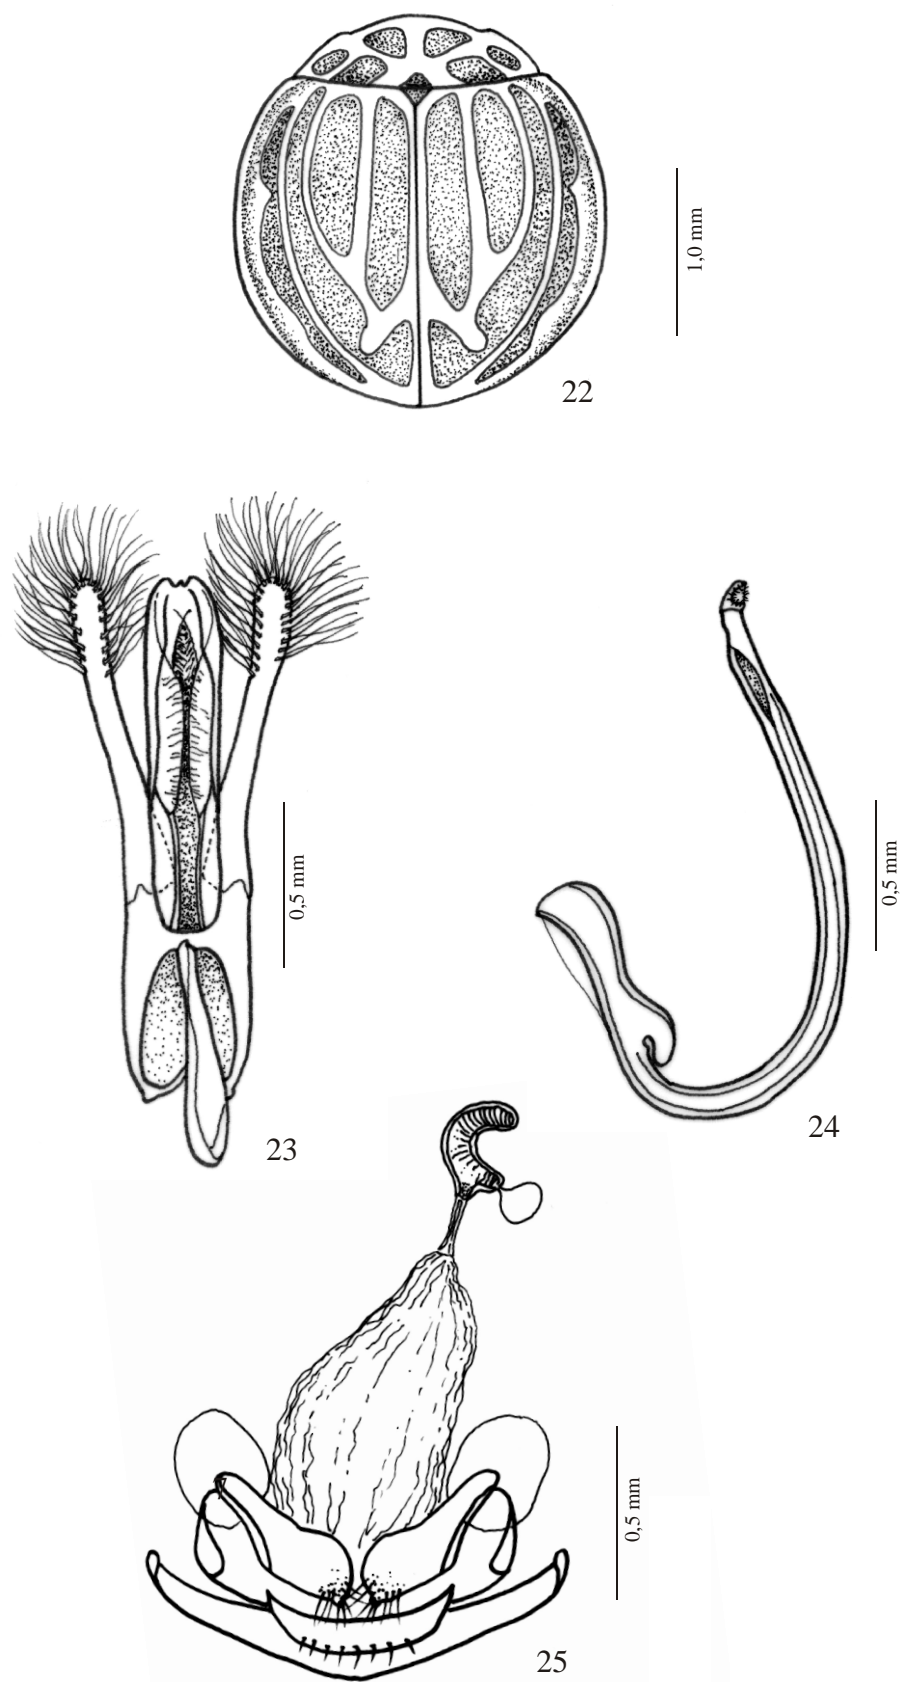

Figuras 9 - 13. Gênero Novo *A maeander* (Mulsant, 1850) comb. nov.: (9) protórax ventral; (10) proendosternito; (11) metendosternito; (12) élitro ventral; (13) asa.

Figuras 14 - 18. Gênero Novo *A maeander* (Mulsant, 1850) **comb. nov.:** (14) perna anterior; (15) perna média; (16) perna posterior; (17) abdome do macho, vista ventral; (18) abdome da fêmea, vista ventral.

Figuras 19 - 21. Gênero Novo *A maeander* (Mulsant, 1850) **comb. nov.: genitália do macho: (19) tégmen, (20) sifão; (21) genitália da fêmea.**

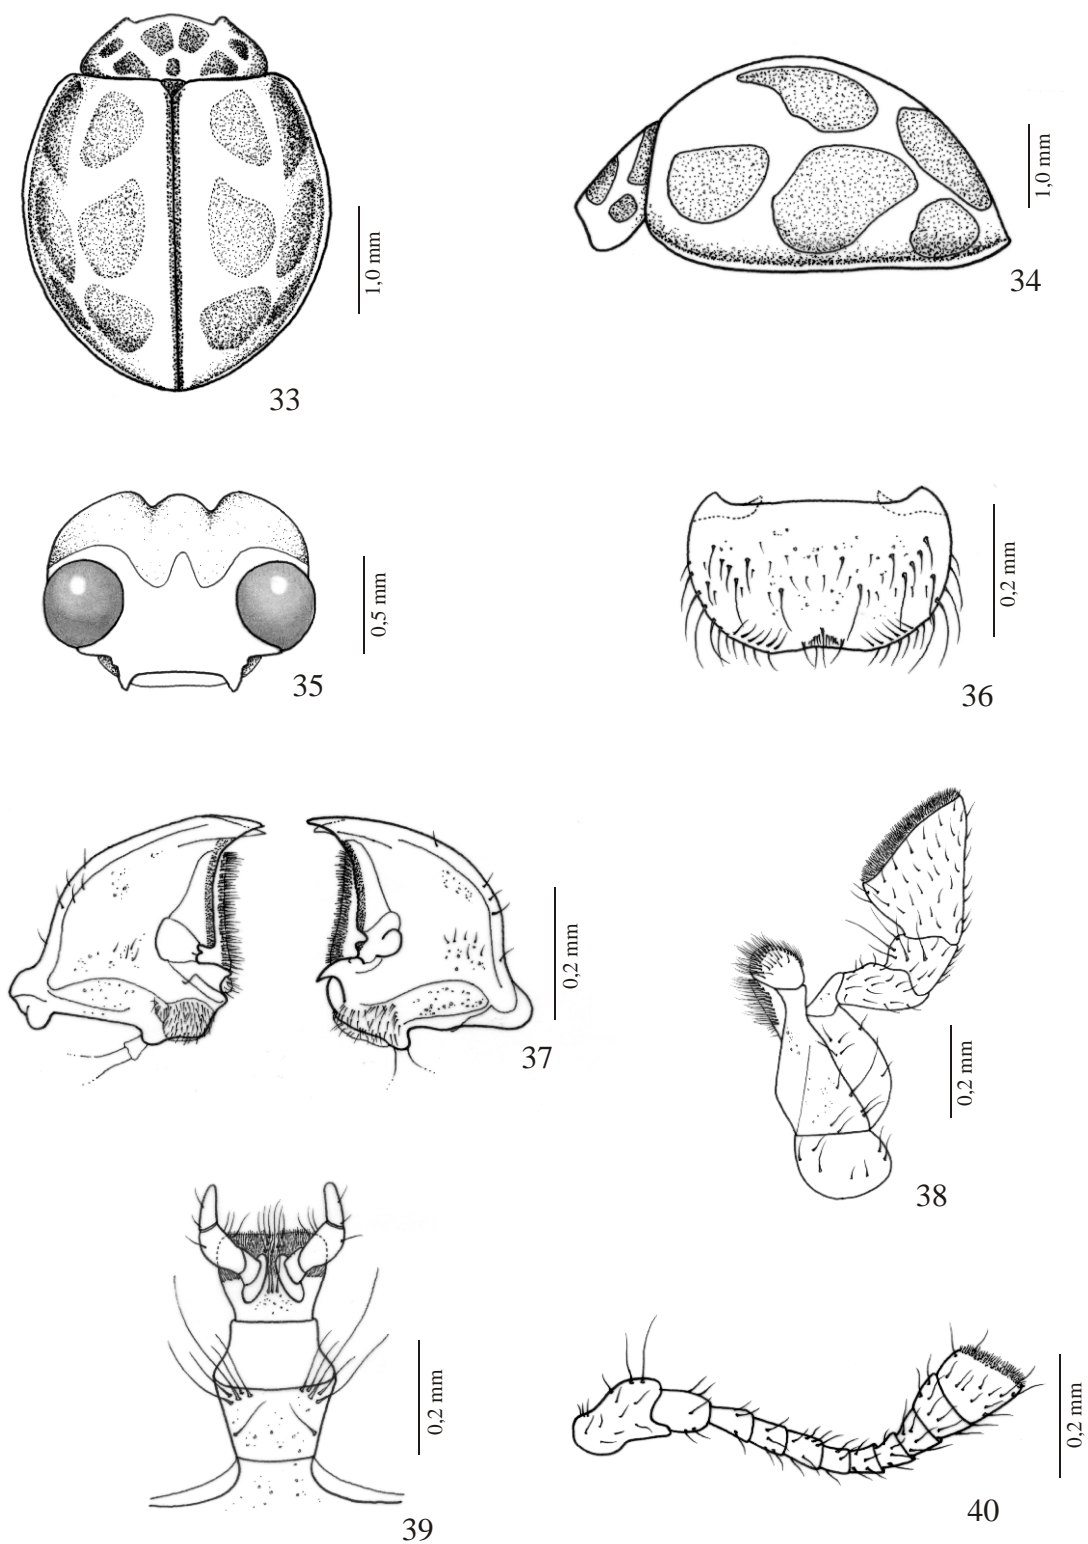

Figuras 22 - 25. Gênero Novo *A lorata* (Mulsant, 1850) **comb. nov.: (22) vista dorsal; genitália do macho: (23) tégmen, (24) sifão; (25) genitália da fêmea.**

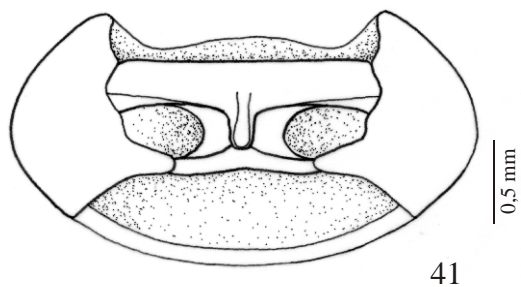

Figuras 26 - 29. Gênero Novo *A maeander* (Mulsant, 1850) **comb. nov.:** (26) vista dorsal, holótipo; (27) vista lateral; (28) vista frontal, macho; (29) etiquetas do holótipo.

Figuras 30- 32. Gênero Novo *A lorata* (Mulsant, 1850) comb. nov.: (30) vista dorsal; (31) vista lateral; (32) vista frontal, macho.

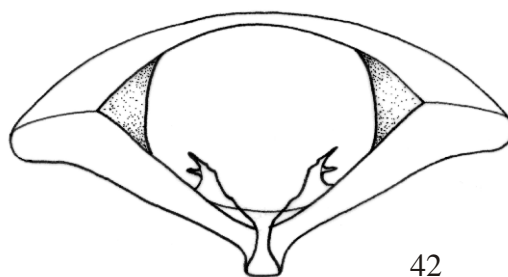

Figuras 33 - 40. Gênero Novo *B conjugata* (Mulsant, 1850) **comb. nov.:** (33) vista dorsal; (34) vista lateral; (35) cabeça, vista frontal, macho; (36) labro; (37) mandíbulas; (38) maxila; (39) lábio; (40) antena.

Figuras 41 - 45. Gênero Novo *B conjugata* (Mulsant, 1850) **comb. nov.: (41) protórax ventral; (42) proendosternito; (43) metendosternito; (44) élitro ventral; (45) asa.**

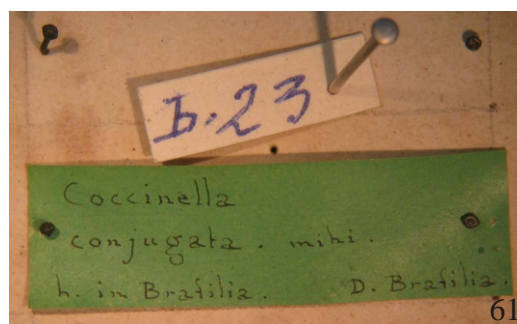

Figuras 46- 50. Gênero Novo *B conjugata* (Mulsant, 1850) **comb. nov.:** (46) perna anterior; (47) perna média; (48) perna posterior; (49) abdome do macho, vista ventral; (50) abdome da fêmea, vista ventral.

Figuras 51 - 53. Gênero Novo *B conjugata* (Mulsant, 1850) comb. nov.: genitália do macho: (51) tégmen, (52) sifão; (53) genitália da fêmea.

Figuras 54 - 57. Gênero Novo *B ocelligera* (Crotch, 1874) comb. nov.: (54) vista dorsal; genitália do macho: (55) tégmen, (56) sifão; (57) genitália da fêmea.

Figuras 58 - 61. Gênero Novo *B conjugata* (Mulsant, 1850) **comb. nov.:** (58) vista dorsal, holótipo; (59) vista lateral, holótipo; (60) vista frontal, macho; (61) etiquetas do holótipo.
